

South Battery Park City Resiliency Project: Upcoming Two-Week Construction Notification

Project Area: Wagner Park & South Battery Park City
Date: May 12, 2023

The following described work is anticipated through **Friday, May 26, 2023**, but may be subject to change due to scheduling or weather:

- Demolition of the Wagner Park Pavilion will continue over the upcoming weeks.
- Removal of demolition debris will continue, with increased truck traffic south of Wagner Park on Battery Place.
 - ✓ Flaggers are on-site to direct trucks for public safety and traffic control.
 - ✓ Pedestrian / vehicular access along Battery Place & surrounding streets will be maintained at all times
- Removal of electrical materials (lighting, wiring, conduits) in Wagner Park will take place to facilitate future construction.
- Salvaging and reclamation of materials from Wagner Park will continue. This includes stone and wood to be utilized in future park features.
- Demolition of the southern end of the project site will take place to clear the project site for future work.
- Clearing and grubbing of project site landscape will occur to prepare the area for upcoming construction work.
- Test pits will be performed at the project site to facilitate soil monitoring on or about May 22.
